

SiteX[™] Product Warranty

Opengate Data Systems (“Opengate”) warrants this product against defects in material or workmanship for the time periods and as set forth below. Pursuant to this Product Warranty, Opengate will, at its option, (i) repair the product using new or refurbished parts or (ii) replace the product with new or refurbished product. For the purposes of the Product Warranty, “refurbished” means a product or part that has been returned to it’s original specifications and fully tested in the factory. In the event of a defect, these are the exclusive remedies. For the terms specified below, Opengate will, at its options, repair or replace with new or refurbished product or parts, any product or parts determined to be defective.

This warranty gives you specific legal rights, which may vary state to state. This warranty does not include damage to the product resulting from accident or misuse. This warranty excludes damage to the product resulting from a surge or spike form another source. Opengate is not liable for special, incidental, consequential, indirect or other similar damages arising from breach of warranty, breach of contract, negligence, or any other legal theory. In no event shall Opengate’s total liability to customer for all damages exceed the amount, actually paid by customer to Opengate for the product.
